FOLLOW - A 2023 Lent Devotional Through the Gospel of Mark

We are excited to announce that SWID published a 2023 Lent Devotional and we would love for you to read it!

This devotional will walk you through the forty days of Lent (beginning Feb. 22). Every day, you will be encouraged to read a passage from the Gospel of Mark and, by Easter, you will have finished the entire Gospel. Each day also includes a devotional thought from an author on SWID!

We have a great group of ministers who have volunteered their time and talents to write for this devotional and we believe God can use their words to grow and teach us.

There are Four Ways you can access this resource:

- **Email:** Sign up at www.swidnazarene.org/lent to have the daily devotional delivered straight to your inbox every morning of Lent.
- **Pdf:** We'll make a PDF of the entire devotional available at www.swidnazarene.org/lent so that you can download it to your device.
- **Booklet:** We will make a PDF available at www.swidnazarene.org/lent with easy instructions so that churches and individuals can print, fold, and staple the devotionals into a handy booklet. It will be in black and white to make it more printer-friendly.
- **Social:** Each day, a link to that day's reading will be posted to the SWID Facebook page.

A special thank you to Rev. Jarren Rogers, Editor of the devotional, for his time editing and assembling both the online and booklet formats.

Alabaster Offering

Traditionally, February and September are Alabaster months. Alabaster Sunday for SWID is Sunday, February 26. This is a great opportunity to share what the Church of the Nazarene is doing all around the world. Please remember that 100% of the Alabaster offering goes towards building or purchasing property all around the world. Thank you for promoting Alabaster. For resources and more information on Alabaster go to nazarene.org/alabaster.

Crisis Care Kits

Crisis Care Kits will be collected on Saturday, March 25 at the Ladies Day Retreat. It isn't too early to start making these kits. Click here to see what to include in the CCK.
