VALLEY MISSION CHURCH OF THE NAZARENE

COST IS FREE & LUNCH PROVIDED

On the Southwest Indiana District, we are committed to protecting our children and teens from the devastating consequences of sexual abuse. We have discovered many of our churches wish they knew how to better protect those within their ministry.

At this training event, we will provide insights regarding proper insurance as well as help churches and ministries implement the 5-part safety system:

1. Sexual Abuse Awareness Training for all child-serving staff members and volunteers
2. Skillful screening process
3. An appropriate background check
4. Tailored policies and procedures
5. System monitoring and oversight
