## OLIVET NAZARENE UNIVERSITY SCHOLARSHIP

The SWID District Advisory Board is pleased to announce it is again time to award scholarships from the SWID Scholarship Fund established in cooperation with the Olivet Nazarene University Foundation. Students eligible for this scholarship must meet the following criteria:

1. All awardees must maintain an average GPA of 2.0 or higher (eligibility will be verified by the university)
2. All awardees must be members and/or regular attendees of their local Nazarene church as verified by their pastor.
3. The annual award will be distributed in equal amounts to a maximum of \$250 per semester (a maximum of \$500 annually) to select Olivet sophomores, juniors, and seniors who attend Olivet each fall.

Please submit names of students who will be sophomores, juniors, and seniors at Olivet in the fall of 2019 who came from your churches. The university will verify eligibility information; we simply need pastors to submit the names and year of school next year (sophomore, junior, senior) of students from their churches.

Current students have been asked to complete ONU Foundation applications; if they do not do so, they will not be awarded this scholarship. It is a requirement from the university.

Please send names of students from your church who you would recommend to [phillip.doerner@gmail.com](mailto:phillip.doerner@gmail.com) as soon as possible, and no later than March 3. Thank you for your assistance!

**S.W.I.D. Lifeline is a financial program designed to provide a solid financial base for Southwest Indiana District Work & Witness building projects.** All LifeLine funds go 100% directly to the Work & Witness Project (building materials etc.)

Membership in Lifeline involves the contribution of \$10.00 or more each quarter or \$40.00 per year for the construction of buildings and building improvements on mission fields around the world or in ethnic areas of the United States and Canada.

All churches are encouraged to participate and a goal of 10% of the Morning Worship Average Attendance is the recommended lifeline membership. (Example: Morning Worship Average is 160, then 16 Lifeline members is the church's goal = \$640.) Churches also receive 10% credit at the time of the project.

The 10% credit generally lags 1 year to 18 months before being credited.  
This is best put on the pastor's year-end-report as other local benevolences.

Finances contributed to Lifeline helps distribute the cost of projects throughout the district by enabling everyone to supply material for the projects. Individuals going on the project trip are then responsible for their traveling, living, and insurance expenses only.  
This allows more people to actually be able to participate in a trip.

Promotion is usually done in January as part of Volunteer Ministries. Bulletin Boards and especially speakers who can share actual trip experiences are recommended. Many times personal slides, pictures and power point presentations are available with the speakers. Doug Jones is available for most services to give presentations.

## WHAT IS ALABASTER?

The Alabaster Offering provides funds for property and buildings around the world. While we understand the church consists of the people of God and not a building, buildings erected for the purpose of ministry help provide a sense of permanence, functionally enhance ministry efforts, and convey an attitude that the Church of the Nazarene intends to "put down roots." Alabaster funds help provide land for many Work & Witness projects, and the entire Alabaster Offering goes toward the purchase of land and construction of churches, schools, medical facilities, and homes for missionaries and national workers.

Your gift to the Alabaster offering is a gift of hope to thousands in every corner of the world, because you choose to pour out the love God has lavished on you. Please plan to participate in an Alabaster Offering at your church on Sunday, February 24. For Alabaster Offering resources, please visit [www.nazarene.org/special-offerings](http://www.nazarene.org/special-offerings).
