## Special Correction

Rev. Darrell Wineinger and the people of our Springs Valley Church did pay all allocations this past church year. The District Assembly booklet did not list them for doing so as a result of an error. We certainly should have known better as Rev. Wineinger and the people he has served have been faithful in paying all allocations in full these past 57 years. A testimony of faithfulness for sure!

**Thank you Pastor Darrell & Barbara for being faithful to God!**

## SENT TO SCATTER

God gave to me a bag of seeds - - When I received my new birth.  
He said to scatter all of them - - Throughout the ends of the earth.  
Scatter seeds along the path, Or wherever I may go;  
Scatter the love of Jesus - - So that these seeds will grow.  
I'll never know the type of soil - - Where my seeds may fall,  
But even in the wildest weeds - - This seed is meant for all.  
I may not know the condition  
Of the soil where I scatter, But I toss it everywhere  
To whom... it doesn't matter. Christ has placed it in my hands,  
This bag of "Gospel seed," And sent me out into the world  
To love the world in need. This bag of seed will not run out.  
It's replenished every day.  
No matter where I travel  
I'll scatter along the way.  
It isn't the "sower"... but the "seed" That lands on fertile ground.  
It's God who directs the seed you know, And His harvest then is found.  
So scatter wherever you go,  
The seeds that are in God's Word.  
Some on the path... and some in the weeds  
So His message can be heard.
